EDUCATION

University of Texas at Austin
Bachelor of Science in Computer Science

Aug 2024 – May 2028
Austin, TX

EXPERIENCE

Vice President - Web Development Club
Clear Brook High School

Aug 2023 – May 2024
Houston, TX

- Led weekly workshops for approximately 30 students, teaching foundational HTML and CSS to inspire interest in web development.
- Designed and delivered lesson plans that introduced key web design concepts, fostering hands-on learning and peer collaboration.

IT Shadowing – Houston Veterans Hospital
Houston Veterans Hospital

Aug 2023 – May 2024
Houston, TX

- Observed IT professional Viet Nguyen to understand daily operations, team collaboration, and workflow processes within a healthcare IT environment.
- Gained insight into teamwork and problem-solving by watching how IT tasks are coordinated and executed in a professional setting.

Vice President of Leadership - DECA
Clear Brook High School

Aug 2023 – May 2024
Houston, TX

- Spearheaded recruitment efforts, resulting in a 100+ member increase, making DECA one of the largest clubs at the school.
- Organized and led fundraising initiatives that raised over \$1,000 to support club activities and competitions.

PROJECTS

Payroll Calculation Program | *HTML/CSS, JavaScript*

May 2023 – June 2023

- Developed a payroll calculator for a nail salon, streamlining a manual process that previously took 2-3 days into a 20-30 minute task.
- Customized the system to account for variables such as tips and cleaners' pay, following user input and feedback to meet business needs.
- Collaborated with users to ensure the program aligned with their preferences, improving efficiency and user satisfaction.

TECHNICAL SKILLS

Languages: Beginner-level knowledge of Java, Python, JavaScript, HTML/CSS

Frameworks: Beginner-level knowledge of React

Developer Tools: Limited experience with VS Code, PyCharm, Eclipse
